EXCLUSIVE
Quick Toe/Hand
Release

NailHawg™ wild that is. Our contractors have been asking us for years to design a nail and metal shard *picker upper* that has the same durable long-life qualities we design into our world class brakes, slitters and saw tables.

- Powerful State-of-the-Art Magnetic Assembly
- Combination Toe or Hand Debris Release
- Unit Remains Standing Upright While Idle
- Multiple Wheel Height Settings for All Terrain

Patent No. D527,858

NailHawg™

We've Gone Hawg Wild!

Don't Get Nailed
