

Flex-A-Spout®

- ✓ Moves damaging rainwater away from your home foundation and landscaping
- ✓ Corrugated design bends and holds its shape and enables you to bury, connect and bend the extension
- ✓ Durable vinyl construction
- ✓ Extends from 25 to 55 inches

Added cut line to allow two Flex-A-Spout products to snap together to add more length without spate extension sku

1. Cut off end component from one Flex-A-Spout

2. Cut off top component from another Flex-A-Spout

3. Snap the two separate components together
